ALEJANDRO VEGA

Goodnight, My Sweet Boy By: Tangee M.K. Ferlaino Originally written as a bedtime story for the author's grandson, Goodnight, My Sweet Boy is a touching story with a musical cadence—perfect for little ones who are ready to fall asleep.

Provocatively explaining the political and social phenomenon of white supremacy as a religion and providing a theology of redemption for disparaged communities affected by it, this book is a collection of personal and academic essays that challenge popular notions of American exceptionalism. A little bit of everything, a mixtape in the tradition of DJ Clue, episodic and rhapsodic, lifting a panoply of voices in an unexpected way, it wrestles with theology and philosophy alike, blending poetry with narrative nonfiction and memoir. It is a creation of a new and expressive literary experience that is as tragic and triumphant as the Black experience is in America--a groaning that cannot be uttered.

Life seemed over when her husband died, but it was only just beginning. Get the completed series all in one book! Join Fate in A Vampire's Fate and journey with her through the four other books that complete the series! A Vampire's Fate My name is Fate. I thought my life was over when my husband died. But it was just beginning. When Devon walked into the library, I thought he was trouble wrapped in a tall, dark and handsome package. He might be the one thing saving me from the trouble left behind by my husband and his girlfriend, as the killer they hired still plans to earn her pay. A Vampire's Treasure Who would have thought convincing your vampire lover to turn you would be so difficult? Devon was supposed to make me a vampire a century ago but I was murdered before he got the chance. Now he has all this opportunity and he keeps putting it off, I just need to figure out why. Devon is the love of my life so why do I feel pulled to Charles who just won't leave me alone? Charles comes to the library every night determined I will fall into his arms and his bed from the power of his dashing good looks alone. I want to say not a chance in hell but somehow, I find myself strangely drawn to him. I know where my heart lies, but can I follow my heart knowing that it could cost the lives of everyone around me? A Vampire's Dream Hostage. This fool may hold Fate hostage, but that doesn't mean she will suddenly fall at his feet. No matter how handsome he is. All she wants is to figure out how to go home without Charles killing her friends. What happened to his quiet life? Fate is hostage in Charles's manor, and he is certain that everything will be perfect now. He'll just hold on to Fate until she falls in love with him and forgets all about Devon. Being a vampire means that he has all the time in the world. Then Fate's sister turns up at his door, claiming she is his reincarnated mother. Most of his accounts disappear, and Fate's sister won't stop trying to kill her. A Vampire's Chase Fate is back home where she belongs but danger lurks around every corner. New abilities and a new soul bond with her former kidnapper complicate things plenty. But things really heat up when her sister escapes and vows to put an end to Fate for her mysterious benefactor. Just how much can one girl take? A Vampire's Fight The forces working in the shadows have grown impatient and the danger surrounding Fate grows with every second that passes. Knowing that Demeter is desperate to grab her before she is fully a goddess, Fate is sticking close to home. She has plenty to occupy her there with her two mates, a foundation to get off the ground, and powers she has barely began to explore. Add an intense training schedule and trying to get to know her parents, finding things to do is the only thing she is not concerned with. With all her distractions will she find a way to stop Demeter and the Beast? Their leap of faith could unleash magic ... or plunge them into darkness. Henry Thorn has worked at Larkin's since graduating high school. He likes it -- especially when he can use his secret skill of hiding inside shadows so his boss can't find them. Without that talent, he would never had survived growing up different. When a hire enters the store, Henry's other latent talent kicks in. He can smell an emotional response even before he lays eyes on the redhead. Jamey Currey came out, and his conservative parents promptly kicked him out. He, too, is different -- he senses Henry's attraction the

moment they met. The first time they kiss, torrential rains fall from skies split by lightning. Their kiss also awakens the Watchers, diabolical hunters who will stop at nothing -- even extermination -- to keep magic suppressed. With the help of a friendly coven of friendly witches, the boys embark on a quest to discover an ancient key to restoring magic to the world, and to understand mysteries of their own hearts. The question is, will this quest cost them their lives?

Shakespeare is the most critically acclaimed playwright of all time. So why is he so hard to understand? This massive anthology of Shakespeare's Histories will give you a new appreciation of William Shakespeare by putting each of his history plays in plain and simple English. Included in this anthology: King John Richard II Henry IV, Part 1 Henry IV, Part 2 Henry V Henry VI, Part 1 Henry VI, Part 2 Henry VI, Part Richard III Henry VIII The original text is also presented in the book, along with a comparable version of both text. Someday, someone will walk into your life and make you realize why it never worked out with anyone else...A few months before college started, I lost the only person I could count on my whole life... Grandpa! On a sudden, I was left alone in the world, and I also had to start my college life, which I honestly imagined not at all! I didn't expect to be in the same room with him due to a fatal administrative mistake. I remember, he did everything to get me out of the picture. Thinking back, his tricks were funny, but at that time he caused a lot of annoyance with his attempts. When he came into my life, everything changed. All of a sudden, I felt in love and also became unpredictable. Things happened so fast, I couldn't even follow it. I drifted with the flow and fought steadfastly for our love when life brought us unexpected problems. I didn't want to give up him, and he didn't want to give up on me. For some reason, life has been testing us since we were little. It didn't spare any of us from slaps and disappointments. Maybe it's just trying to teach us an unlearned lesson, I don't know. Right now, there's only one thing I'm sure, I'm going to love him as long as I live, and I can only hope that he feels the same way...
