Readers can join parrots and children as they climb all around the house, over furniture and up the curtains with four-toed parrot feet, then chew wooden spoons and popsicle sticks with the hooked parrot beaks, and then squawk, talk, preen, and finally snuggle down for the night.

When young Jamie Case is kidnapped by his divorced father, the boy's mother must rely on the help of a fun-loving, hard-driving elf to get him back

True success and happiness belong to those who master the art of creating their lives rather than getting better at changing their circumstances. It's remarkable that we humans remain quite a mystery to ourselves. While we are learning much about how our bodies and brains function, we are still in search of the why and how of human nature and behavior. The key to a great life starts with the recognition that you and I, all human beings, are creating our lives moment by moment. We are doing so without the slightest recognition of how we are doing it. In *If I Can, You Can*, David Zelman lays out the Transitions Process, which gives individuals access to themselves. Readers will discover the source of their innate ability to intentionally and committedly generate a future of their own choosing.

YOU ARE DOOMED IF YOU LIVE IN THESE AREAS! The worst spots on Earth and places in America infested with negative energy and bad luck. Published by Times Square Press and the Ramadosh Society, New York. Originally written in 1964, in Cairo, Egypt, and taken from the "AT Transcripts" 1947-1948, USA. In secret meetings the United States had with alien species in 1947 and 1948, the "Galactic Beings" explained and pinpointed to us countries and locations (Areas and States) which are infested with negative energy and producing all sorts of mishaps, catastrophes, and bad luck.

Sheila O'Flanagan's bestseller *IF YOU WERE ME* will make readers wonder: what would I do if my first love came back into my life? A must-read for fans of Emily Bleeker and Kathryn Hughes, from the No. 1 bestselling author of *THE MISSING WIFE*: 'Captivating... A page-turner that does not disappoint' Anne M. Miskewitch, *Library Journal*. You're engaged to a great man. You're on a countdown to your wedding day. You stopped thinking about your first love a long time ago. But what if one unexpected, forbidden kiss were to throw your life upside down? Carlotta O'Keefe suddenly finds herself wondering if the girl she was would recognise the woman she has become. She thought she was living a charmed life. But what if she's got it all wrong? What if her past is meant to be her future?

I'd Like You More If You Were More like Me takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. *I'd Like You More if You Were More like Me* offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us—so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

Publisher Description

Jack Valentini isn't my type. Sexy, brooding cowboys are fine in the movies, but in real life, I prefer a suit and tie. Proper manners. A close shave. Jack might be gorgeous, but he's also scruffy, rugged, and rude. He wants nothing to do with a "rich city girl" like me, and he isn't afraid to say so. But I've

got a PR job to do for his family's farm, so he's stuck with me and I'm stuck with him. His glares. His moods. His tight jeans. His muscles. His huge, hard muscles. Pretty soon there's a whole different kind of tension between us, the kind that has me misbehaving in barns, trees, and pickup trucks. I've never done anything so out of character-but it feels too good to stop. And the more I learn about the grieving ex-Army sergeant, the better I understand him. Losing his wife left him broken and bitter and blaming himself. He doesn't think he deserves a second chance at happiness. But he's wrong. I don't need to be his first love. If only he'd let me be his last.

When McKenna Jordan, a magazine journalist investigating the story of the heroic and unidentified woman, finds the video footage, she thinks she recognizes her as Susan Hauptmann. But Susan disappeared without a trace ten years earlier, having just introduced McKenna to her future husband, Patrick. McKenna's complex search for her missing friend forces her to unearth secrets that lie deep in all their pasts. A sublimely plotted mystery and a devastating thriller about marriage, private security and journalistic scandal, *If You Were Here* further underlines Dennis Lehane's assertion that 'Ala-fair Burke is one of the finest young crime writers working today'.

Introduces the properties of a circle in mathematics and displays everyday items that are circles.

Twelve kinds of animal babies swim, snuggle, slither, and scoot through this enchanting picture book that celebrates the miracle of birth, the magic of childhood, and you...the most precious baby of all.

"In short, digestible chapters Shepherd shares several truths every human needs to know . . . You'll enjoy reading and laughing your way through this book!" (Terrace Crawford, nationally recognized speaker & author of *Going Social*). He should have seen it coming. Anonymous letters are rarely good. On the day after preaching a sermon at his church, Rob Shepherd opened a letter filled with hurtful words and a very strong opinion about how awful his sermon was. On his fourth reading of the letter, Rob heard a still small voice say, "Even if you preached the perfect sermon somebody would crucify it." That thought began the process of setting Rob free from being a lifelong people pleaser. With humor, personal stories, and great conviction Rob shares his personal story of learning to care less about what people say and more about what God says. *Even If You Were Perfect Somebody Would Crucify You* uncovers what our real struggle is when it comes to pleasing people. You can be set free from the fear of saying no to people, win the battle with avoiding confrontation, learn the power of confession, and find your true identity in Jesus. "This book will nail you in regards to cutting out the paralyzing noises of life and opinions of others. Be ready for a tugging at your heart to rest and rediscover your identity FULLY in Him." —Chad Johnson, director of the Catalyst Conference

What would you do if you were the moon? Do you think you would rest quietly in the night sky? Oh, no. The moon does so much more than you might imagine! It spins like a twilight ballerina, plays tug-of-war with the ocean, and lights a pathway for baby sea turtles. Discover the many other roles

the moon plays in this whimsical and lyrical picture book.

If you were a pound or a kilogram, you would be the weight of things. You could be a sack of sugar, a basket of berries, or a heavy-duty truck. What else could you be if you were a pound or a kilogram?

"Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments." —Cynthia D'Aprix Sweeney, *New York Times* bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —*New York Times Book Review* On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were Villains* was named one of *Bustle's Best Thriller Novels of the Year*, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

Established in 1911, *The Rotarian* is the official magazine of Rotary International and is circulated worldwide. How To Get Everything You Want Out Of Life There are basic laws in this universe that will work for you if you know how to apply them. They work for anyone who knows they exist and how to use them. The law of electricity works for all of us. We can burn your house down with electricity or you can light your home with it. You don't have to be a genius to do it. A child three years old can push a button and turn the lights on. Millions of people have been taught to believe that the rules of success are indeed so very difficult and complicated that surely they could never learn them. I found out that anyone can be genuinely successful if he will learn the exact same ""rules"" that the successful people learned and use them. Scroll up to get your copy now.

'One of the non-fiction books of the year.' Andrew O' Hagan A powerful, evocative and deeply personal journey into the world of missing people

Ahh youth, what a great time in your life. Oh how we change as we grow older. Our hopes, dreams, fears and self-confidence begin to form in our minds as we grow older. Things change. And as they do we learn, we grow and we change. But when you begin to mature and your self-confidence forms in your mind. You learn that it is not necessary to always be in such a hurry. When we are young we think there is just no time to stop and smell the roses. Being older now, I do take the time to stop, and the roses smell so sweet. Now I understand the meaning. Bad things will pass with time. It is up to us to take care of our mind. Marriage is a big change in our life. Now you have to give up some of your privacy, give more than you take, and have a lot more patience. Oh what we learn as we grow. There are so many things going on in our mind. The television used to be entertaining but now it puts all kinds of strange thoughts in your head. Be a careful viewer. It is up to us to keep our mind in order. Our body might shrink as we grow older but our brain continues to grow. Feed it with healthy things.

Jen Nilsson has an MBA, a nice condo, and a fast-track job at a tech start-up in Silicon Valley. If her big product launch goes well next month, she may finally land the marketing director job she's been gunning for. But then her younger sister, Katie, just out of college and estranged from their newly devout parents, blows through the front door, dumping cardboard boxes and a lifetime of personal drama onto Jen's just-swept floor. Family is family, and Jen lets her sister, the embodiment of all that annoys her, move in. Maybe she'll turn aimless Katie into a model adult. But when Jen's own well-laid career plans hurtle off the tracks—a corporate buyout, a layoff, and a disastrous business trip to China—she turns more and more to Katie for support and begins to reassess the place of family, and love, in her life. *If You Can Get It* explores the quirks and the humanity of the twenty-first-century business world but finds its heart in the deepening relationship of two sisters as different as Elinor and Marianne of *Sense and Sensibility*.

Answers questions about the historic harvest festival, life in the new settlement of Plymouth, and the Pilgrims' friendship with Squanto, Samoset, and the other native people.

Theo MacLeod wasn't supposed to be the one. Tall, dark and handsome suits me just fine, but the cocky grin, know-it-all attitude, and mammoth ego? No thanks. I only hired him so I wouldn't have to sit at the singles table again. It was just pretend. He wasn't supposed to kiss me. My heart wasn't supposed to pound. We weren't supposed to spend the night together--the hottest night of my life. One night turns into a snowed-in weekend away, and even the blizzard of the century can't cool the fire between us. I can't get enough--of his smile, of his body, of the way he makes me feel. We're nothing alike. He's a daredevil, and I'm a nervous Nellie. He's a drifter, and I want to put down roots. He's an opportunist with a checkered past, and I'm a Girl Scout volunteer. But none of it matters when I'm in his arms. I know he's made mistakes. I know his wounds are deep, and he doesn't trust easily. I know

he doesn't believe he could ever be enough to make me happy, but he could. All he has to do is stay.
