MARISSA NATHANIEL

A range of bible stories and other religious classics are re-told in the classic book. First published over 100 years ago, the messages contained within these re-tellings are as relevant today as they were back then. Children especially will love the versions told in this ebook, and this is a fantastic way to introduce them to the teachings of the bible.

This is the story of a man who has a spontaneous out of body experience, which he finds he is able to repeat. After several exhilarating astral episodes, he discovers on his next projection that the daughter of a friend has been possessed by evil spirits. He discovers further that he can actually see the evil spirit forms, and during his attempt to help, the evil spirits discover him, and his odyssey begins.

A Boxset collection of the first 3 books in the Chronicles of Kerrigan Prequel Series! Christmas Before the Magic - Book #1 Learn how it all began ... before the magic of tatùs. When Argyle invites his best friend, Simon Kerrigan, home for the Christmas holidays, he wants to save Simon from staying at Guilder Boarding School on his own. Simon comes along and doesn't expect to find much more excitement in the tiny Scottish town where Argyle's family lives. Until he meets Beth, Argyle's older sister. She's beautiful, brash and clearly interested in him. When her father warns him to stay away from her, Simon tries, but sometimes destiny has a hope of it's own. Question the Darkness - Book #2 Learn how it all began ... before Rae Kerrigan. The sins of the father are the sins of the son. What did Rae's father do that put fear in people's eyes at the name Kerrigan? Simon Kerrigan is a bright kid. He likes to ask questions and push adults in their way of thinking. He's falling for a girl he's been warned to stay away from. Tempted by forbidden love, he also must face the biggest challenge of his life: receive a tattoo on his sixteenth birthday. This ink is going to give him a supernatural ability unlike anyone before him. When secrets of the past begin to reveal themselves, he questions everything he's ever known. Pressure from Guilder Boarding School and the Privy Council only confuse Simon more as he struggles to find himself. How hard will he have to shake the family tree to find the truth about the past? The Chronicles of Kerrigan Prequel is the beginning of the story before Rae Kerrigan. Christmas Before the Magic is just the beginning (but not the end...) Into the Darkness - Book #3 What did Rae's father do that put fear in people's eyes at the name Kerrigan? After a mysterious attempt is made on his life, Simon Kerrigan has more questions than ever, and this time, he's not

the only one. The beginnings of a secret society are formed at Guilder. A society of other like-minded students all unsatisfied with the status quo. All searching for the truth. But things aren't always as they seem. When Simon gets an unexpected visitor, his entire world is turned upside-down. Suddenly, the rules that were made to keep him safe, are the only things standing in his way. Who can he trust? Can he learn to master his tatù? Most importantly, can he do it in time to protect those things that are most precious to him?

8 years ago, when they were just teenagers, Shannon and Donovan developed a rather peculiar relationship that lead nowhere. Now, six years after their split, they're able to pick up where they left off when Donovan moves in next door. Donovan's just as hot tempered as she remembered, and even hotter than she dared to imagine. But underneath his cold exterior he's still her same old Donovan. There's only one problem. He's married.

This book tells MY story. No one can imagine what I've been through. From the outside looking in, you'd never know my struggle.

Out of the Crazywoods is the riveting and insightful story of Abenaki poet Cheryl Savageau's late-life diagnosis of bipolar disorder. Without sensationalizing, she takes the reader inside the experience of a rapid-cycling variant of the disorder, providing a lens through which to understand it and a road map for navigating the illness. The structure of her story--impressionistic, fragmented--is an embodiment of the bipolar experience and a way of perceiving the world. Out of the Crazywoods takes the reader into the euphoria of mania as well as its ugly, agitated rage and into "the lying down of desire" that is depression. Savageau articulates the joy of being consort to a god and the terror of being chased by witchcraft, the sound of voices that are always chattering in your head, the smell of wet ashes that invades your home, the perception that people are moving in slow motion and death lurks at every turnpike, and the feeling of being loved by the universe and despised by everyone you've ever known. Central to the journey out of the Crazywoods is the sensitive child who becomes a poet and writer who finds clarity in her art and a reason to heal in her grandchildren. Her journey reveals the stigma and the social, personal, and economic consequences of the illness but reminds us that the disease is not the person. Grounded in Abenaki culture, Savageau questions cultural definitions of madness and charts a path to recovery through a combination of medications, psychotherapy, and ceremony.

Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two

men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex's connections save them this time? All bets are off when it's every man for themselves in this series' finale.

"You Made Me What I Am" is all about the tragedy, romance and experiences that a simple boy, a student of B.Tech faces in his life. It is a romantic suspense novel. Arya, a student of B.Tech tall, gangly and introvert, he is not every girls dream boy falls in love with Ayesha who reminds him of Promises and Forever. Ayesha was from the same college but she never talk with Arya during the course. Their first conversation start through Facebook and they fall in love. There was no similarity between the two. Only one thing common between them is they are 'HRF' Hrithik Roshan's fan. Everything was going good between them and they were at the peak of their romantic relationship. But suddenly destiny played a cruel role which Arya had never expected and that created a vast differences in their happy relationship. Everything got shattered in a single blow, his love, his hope and his dream were also in the row... The book contains the craziness of Arya, Rahul and Abhi, their friendship and the bond of brotherhood they carry in every iota of their blood. The novel also describes the lifestyle of an engineering student, experiences of the later and the dilemma faced during the course. This book is based on my Real Life Experiences. I don't want to reveal how much fiction, how much fact is there in my book rather I want my reader to find it their own.

Does it have to be this way? Can't resist checking your smartphone or mobile device? Sure, all this connectivity keeps you in touch with your team and the office—but at what cost? In *Sleeping with Your Smartphone*, Harvard Business School professor Leslie Perlow reveals how you can disconnect and become more productive in the process. In fact, she shows that you can devote more time to your personal life and accomplish more at work. The good news is that this doesn't require a grand organizational makeover or buy-in from the CEO. All it takes is collaboration between you and your team—working together and making small, doable changes. What started as an experiment with a six-person team at The Boston Consulting Group—one of the world's elite management consulting firms—triggered a global initiative that eventually spanned more than nine hundred BCG teams in thirty countries across five continents. These teams confronted their nonstop workweeks and changed the way they worked, becoming more efficient and effective. The result? Employees were more satisfied with their work-life balance and with their work in general. And the firm was better able to recruit and retain employees. Clients also benefited—often in unexpected ways. In this engaging book, Perlow takes you inside BCG to witness the challenges and benefits of disconnecting. She provides a step-by-step guide to introducing change on your team—by establishing a collective goal, encouraging open dialogue, ensuring leadership support—and then spreading change to the rest of your firm. If you and your colleagues are grappling with the “always on” problem, it's time to disconnect—and start reading.

Have you ever been too afraid to go to sleep? Vincent and Farra hadn't either, but when the people of Lilea fall victim to a mysterious and frightening affliction, sleep becomes the gateway to a new and terrible danger. With their spirit guides vanished, and unable to wake their friends and neighbours, they soon realise that a new evil is amongst them. Trying desperately to stay awake, Vincent finds himself plunged into a nightmare battle to find the truth amidst the make believe. Many days across the gulf of space, the Drycenians suddenly find themselves hosts uninvited guests, who beg

them for help. As they race to Lilea, knowing only that their dearest friends are in desperate peril, they must find a way to communicate with their new guests, and together, find a way to help them. In order to save Lilea, Vincent must first be found and brought to safety. It is up to one man to venture into the darkness, putting his own soul at risk, and lead him back to safety. Only once Vincent is found and safe, can everyone work to end this evil and save the people of Lilea from the terror of The Sleeping. What new intrigue is at work on Lilea and how do these two alien friends solve this mystery, to save the people of Lilea?

A forgotten invitation to the Princess' christening sets off a vexing chain of events in this fast-paced, sharp witted version of the favorite tale. With her signature cleverness, Dubois retells the classic story with her own imaginative twists in this timeless story of the lovely Princess, the evil spell, and the handsome Prince who awakes her from her enchanted slumber. All the familiar characters are present, drawn with new life and interesting characterizations that set this *Sleeping Beauty* apart. Produced by Cornell University and the Workshop Players, Dubois play continues to captivate audiences with its originality. Published by Classic Youth Plays, preserving the best in innovative children and youth theatre including plays that broke new ground, pioneering playwrights, and plays that have stood the test of time.

Jenny Casey was not born for this mission. She was modified for it. The year is 2062, and after years on the run, Jenny Casey is back in the Canadian armed forces. Those who were once her enemies are now her allies, and at fifty, she's been handpicked for the most important mission of her life - a mission for which her artificially reconstructed body is perfectly suited. With the earth capable of sustaining life for just another century, Jenny - as pilot of the starship Montreal - must discover brave new worlds. And with time running out, she must succeed where others have failed. Now Jenny is caught in a desperate battle where old resentments become bitter betrayals and justice takes the cruelest forms of vengeance. With the help of a brilliant AI, an ex-crime lord, and the man she loves, Jenny may just get her chance to save the world. If it doesn't come to an end first . . .

From reading under the covers to watching shadows dance on the wall, these fourteen vigorous verses show that a child's life begins at bedtime!

Lauren Calloway can't get a date, her newly lovestruck bestie is never around, and she just blew a major deal at her luxury real estate job. So, a one-night stand with an attractive stranger seems like

the perfect distraction and the immediate gratification she's lusting for. Thea Boudreaux left her family's dairy farm to escape the painful memories of her father's tragic death, but when her mother tells her they're going to lose the farm to debt, Thea is devastated. Can she live with her father's legacy being torn down for luxury condos? Or can she still save it and honor her father's memory? When Lauren's boss tells her about a lucrative land sale that could help her get back on track, she jumps at the opportunity. Never would she have bet her unforgettable one-night stand would be the person stopping her from making the deal of the century.

You are often told that eating less and exercising more are the keys to losing weight; but even with multiple plans and temporary successes, you fail to find lasting results with this old method. Yuri Elkaim's *The All-Day Fat-Burning Diet* provides the solution with his 5-Day Calorie Cycling Formula that sets your metabolism to lose up to 5 pounds a week. This plan eliminates the causes of weight gain and pushes the reset button on your fat-burning capacity. No combination of calorie cutting, exercising, or restrictive dieting will help you look and feel great unless you set your body to burn fat and lose weight all day, all night, when you're not eating or working out--24/7. In *The All-Day Fat-Burning Diet*, Elkaim reveals rarely discussed "fat triggers" along with an easy and innovative way to double weight loss in just 3 weeks. Based on a powerhouse blend of nutritional know-how, fitness experience, and solid science, Elkaim's four-pronged approach features (1) strategically cycling calories and carbohydrates; (2) eating "clean and lean" foods that reduce "fat triggers" in the body; (3) exercising more intelligently; and (4) improving the body's ability to repair and avoid burnout. This proven program will reset your body to your desired factory settings and supercharge your metabolism to burn fat on autopilot--no matter age, fitness level, or health status.

DigiCat Publishing presents to you this special edition of "The Sleeping-Car: A Farce" by William Dean Howells. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Everyone is sound asleep, but when Popov starts snoring, the others wake up. Nono wants a story, Zaza wants to switch beds, Kipp wants a drink of water....Will anyone sleep tonight?

I lie in bed fearing the sound of footsteps on the stairs. Footsteps now in the hall. The door opens. The door closes quietly. Then the sound I fear the most, the click of the lock as the signal my nightmare is about to begin again... Adult survivors of abuse and molestation and those with mental illness are often told to remain silent, to discuss their lives in dark corners and in hushed tones. *Shatter the Silence* seeks to break that cycle as LD Smith candidly and eloquently tells the story of her own journey—and it is not pretty. It is not a fairy tale, and unfortunately it is reality for so many. She invites you to join her and learn what being strong really entails. Know that it is possible to stand proud and speak loudly the story of survival.

The Sissy Baby is an incredibly important and common aspect of ABDL life. These four novels are not books that are a full-on sissy extravaganza from the first word until the last. They are - like in real life - a step-by-step journey that follows the story of a young man who finds femininity erupting in his life, just as infancy is also developing. The twin aspect merge and a sissy baby is formed. And in every case, the sissy baby needs to find a life where they are able to live, develop, grow and be part

of a relationship that works and matters. I hope you enjoy these four novels as much as the authors enjoyed writing them and it is worth remembering that while they are fiction, they do represent part of the canvas of real life and some scenes are based in part on actual events. Enjoy your travels through the world of the sissy adult baby.

Bruce Wallace has been involved in the music business for over twenty years. He has functioned as artistic director, choreographer, tour manager, lighting designer/director, set designer and has written scripts as well as developed themes for some of the biggest acts in entertainment. Besides touring with Luther Vandross, Teddy Pendergrass, and many other well-known artists, Mr. Wallace was the featured choreographer for the classic rap movie, *Krush Groove* and a regular performer on the children's hit TV show, *Sesame Street*.

After two failed marriages and countless relationships, Sandra Holiday thinks she's met the man to end her years of less than perfect choices; choices that not only derailed her travel-related career plans but also left her single and broke. Carson Holiday, a Las Vegas country crooner with swoon-inducing good looks, spent his adult life pursuing a recording contract and love, never holding on to either. After eighteen years, he drops back into Sandra's life, reigniting an attraction he can't deny. When Carson reappears, Sandra must choose again. Only this time, nothing's as it seems. A secret admirer, a redheaded stalker, and an eccentric millionaire throw her on a dangerous path, with Carson her only truth. As life confronts her with yet another turning point, will her decisions find her eternally sleeping with the lights on ? or will she finally discover a way to turn them off'

"Chronicles ... Dougherty's cross-country journey with her dog. Following in the steps of legendary author ... John Steinbeck, Dougherty shares [her] perspective of the American spirit."--Page 4 of cover.

div "Why doesn't my baby sleep better?" weary parents ask. "How can we get more sleep?" There are as many answers to these questions as there are babies and families, says Dr. Avi Sadeh in this helpful and reassuring (some may say indispensable) book. Based on his years of research with sleep-disturbed babies and their sleep-deprived parents, Dr. Sadeh suggests a wide variety of practical solutions to babies' and young children's sleep problems. Other experts may recommend one strict approach to changing a baby's sleep habits, but a single remedy fails to take into account a baby's uniqueness and the dynamics of his or her family, Dr. Sadeh contends. He helps parents first to understand the natural sleep patterns of babies, and then to consider their own family's situation and needs. In an accessible style designed to ease anxious parents' worries, Dr. Sadeh describes the various sleep problems of early childhood, outlines treatment possibilities, and details the pros and

cons of each of these choices. This book will appeal not only to sleepless parents seeking relief but also to those who are curious about the most recent findings in children's sleep research. Dr. Sadeh addresses a full range of questions: What is the importance of sleep to a baby? How do babies in different cultures sleep? How is sleep related to development? What causes Sudden Infant Death Syndrome? How do babies calm themselves? What are the advantages and disadvantages of communal sleeping? With up-to-date answers to these questions and more, Dr. Sadeh offers parents and professionals all the information they need to help babies—and their families—sleep better. /DIV

Travelling in West Africa by public transport, Sihle Khumalo turned a wish list into an itinerary. The plans for his trip were lean on practical detail, but grand in concept: Visit five World Heritage Sites listed by UNESCO for their historical and cultural significance. Having never set foot in Sénégal, Mali, Burkina Faso, Benin or Togo, Sihle planned to inform himself about Francophone Africa as he went along. Had he pondered the implications of not speaking French in a part of the world where it is the lingua franca, or what the public transport might be like there, he might have set off less bright-eyed and bushy-tailed. But Sihle is not one to be deterred by setbacks and deadends. His flexibility, irrepressible optimism and robust sense of humour, coupled with an unexpected sensitivity towards his host countries, see him reach all his goals – or almost.

The life of magic-using gumshoe Rick Walker has gotten a lot more complicated than usual. Unhappy with where his life is headed, and with a potential killer on a revenge trip lurking in the shadows, Rick finds solace at the bottom of a Scotch bottle. But when an old acquaintance hires him for a dangerous but well-paying job, Rick pulls himself up by his bootstraps and, with the encouragement of his good-natured assistant, decides to get his life in order. When Rick receives a warning from the very person he's supposed to be gathering information on, however, he soon finds himself between a rock and hard place. With the help of an odd assortment of companions, Rick confronts his demons, both figurative and literal. Will he have the chance to redeem himself before his time runs out? This is the final chapter of "Mystery, Murder, and Magic".

After Tiffany lands a position as executive producer and head writer for the hit television series *Boy Crazy*, her career is skyrocketing. All seems perfect, until she learns that the network will be cancelling her show. To add insult to injury, when she returns home from work, she catches her man in bed with the hired help. Despite her personal problems, she's determined to move on and find a new home for her show. She pitches it unsuccessfully to every network on her list, until she finally piques the interest of the cable network TiMax. The only problem is that the network is run by Langley Green, father of Tressa Green, who happens to be the fiancée of Tiffany's high school crush, Kory Banks. Touted as the queen of L.A., Tressa not only wants to keep her man away from Tiffany, but she's also going to see to it that Tiffany's show never sees daylight again. With an undeniable attraction and a secretive lust brewing between them, Kory does everything in his power to resist the temptation. He pulls away from Tiffany and tries to focus on his fiancée, but it isn't long before the drama hits the fan. Tressa's schemes and manipulative devices to destroy Tiffany could cause her to lose more than she ever imagined.

This book contains stories of experiences of sexual harassment and assault told from the victims, themselves. This collection of stories is a Girl Scout Gold Award project, collected and compiled by Ivy Schank. Stories were submitted via an online survey from people of all different ages, all over

the world. All stories have been edited for length, clarity, and/or grammatical errors. All names submitted have also been changed to protect everyone's privacy and anonymity. The purpose of this book is to support the idea that incidents of this sort happen to all people, regardless of age, gender identity, sexual orientation, location, race, what one is wearing, etc. Its purpose is also to let others going through the same things know that they are understood, they can get through the hard times, it's not their fault, they are loved, that they're not alone, and that they are not the only one.

Alterations in sleep are common manifestations of aging that can lead to significant health problems and contribute to behavioural problems associated with age-related neurodegenerative disorders such as Alzheimer's and Parkinson's diseases. Recent advances have revealed key cellular and molecular mechanisms involved in sleep regulation, and this knowledge is helping to advance an understanding of both the normal functions of sleep and the mechanisms responsible for abnormalities in sleep in various neurological conditions and during normal aging. This volume of *Advances in Cell Aging and Gerontology* brings together chapters by leaders in the fields of sleep research and the neurobiology of aging. The book starts with chapters describing fundamental aspects of the neurocircuitry involved in sleep, patterns of brain activity during the different stages of sleep and disturbances of sleep during aging. The links between depression, anxiety and insomnia are reviewed in regards to the underlying neurochemical alterations that appear to involve abnormalities in neurotransmitter and neurotrophic factor signalling. The evolutionary basis of sleep is reviewed and the emerging evidence supporting a major role for sleep in learning and memory is described. The bulk of the book focuses on specific sleep disorders associated with aging and age-related neurodegenerative disorders. A comprehensive consideration of this topic is woven through a number of chapters that address both basic research and clinical aspects of sleep abnormalities during aging and in disease. The impact of sleep on the immune system is described. The articles are written in a high level of detail and are comprehensive, thus providing valuable information for a range of scientists and other well-educated people. In particular, the book will be a valuable resource for graduate students, postdoctoral and senior scientists in the fields of sleep, aging, neurodegenerative disorders and learning and memory. In addition, clinicians will find this book valuable as it provides a bridge between basic research and the treatment of the patients with sleep disorders. * Covers the fields of sleep in aging and age-related disease from neurochemistry to the clinic * Includes detailed summary diagrams that depict key concepts * Provides views of the future of research on sleep and aging, and the potential for prevention and treatment of various sleep disorders

Presents a collection of short stories, including "While the women are sleeping," in which a man lying on the beach speculates on the lives of another pair of beach goers, and "The Resignation Letter of Señor de Santiesteban," in which a ghost jeopardizes the job of a new teacher.

David Jacobs is your average, everyday gay Joe. He has a good job, the two best neighbors that anyone could ask for, and a precocious twelve-year-old son. Nothing out of the ordinary has ever happened to David. That is until the day he is nearly killed by a phantom truck, saved by a handsome stranger, and receives a bizarre FAX at his office that propels him, his son, his neighbors, and the attractive stranger who saved his life into the most fascinating and disturbing adventure of a lifetime.

Sylvia has lost two husbands: one to sudden death, a second to divorce. She has come home from dynamic work in Addis Ababa, Ethiopia, to a dull office job in Calgary, Canada. Despite family efforts

to cheer her, she experiences herself as lost, and still mourns her first husband. She begins to watch a handsome young stranger next door and gradually he becomes an obsession - one that intensifies when he responds to her. But though the obsession opens Sylvia to re-experiencing love, it also proves disappointing. She learns she must create a new life, one in which she meets and interacts with new friends and neighbors, and remembers to pray for guidance. Sylvia no longer watches life from behind a glass window.

An extended stay in New Zealand determined the content of Gillian Orrell's first book. *New Boots in New Zealand* is a humorous, first-hand account of walking the nine Great Walks of New Zealand, en-

compassing many additional facts, anecdotes and insights about New Zealand's culture, history and peoples. Deciding to go solo, Gillian accomplished all nine walks in the space of a few months, not only learning all she needed to know about tramping but also a huge amount about New Zealand. This superbly written and hugely enjoyable book is the result of her efforts. It describes what tramping in New Zealand is really like, offering handy tips and wry observations that you won't find anywhere else. *New Boots in New Zealand* is aimed at both first-time and experienced trampers, anyone who intends to go on any of the Great Walks, as well as armchair travellers of all ages.
